

Join us in Celebrating this, our 10th Annual

Alaska Occupational Safety Summit – The 2015 Trade Show

This is the formal notification that Exhibitor Registration will be opening Soon

This Trade Show Opportunity is limited to 36 booths!

The Alaska Occupational Safety Summit will be held:

October 27th and October 28th, 2015 at the **Egan Convention Center** in Anchorage, Alaska.

Booth Rate is: \$895.00

Who Are We?

We are proud to be a high level Professional Development Conference. Our attendees are the VP's and Directors of Safety for Companies - the ones that make the decisions. Alaskan industry is diverse: Mining, Oil and Gas, Construction, Commercial Fishing etc. Comments from our past exhibitors: "This was the best trade show I've ever been involved with, the interaction and Exhibitor Challenge was great!" another Exhibitor who we met in Denver and brought to AK: "Wow! I made great contacts and launched my product in not only Alaska, but Russia as well. I'm definitely coming back!"

What Makes us Different?

We believe in continual improvement of our Exhibitor's Experience & interaction with Attendees. We host a high level VIP Reception for Sponsors, Exhibitors, and Speakers - your opportunity to meet our big sponsors! This year it will be held October 26th, after booth set-up at 5:00 PM in the Quarter Deck of the Hotel Captain Cook. We will be holding a Welcoming Reception, the first evening of the conference as a chance to mingle with attendees. (With a cash bar, live music and appetizers.) We have an Exhibitor Challenge, where the attendees decide the winners and submit ballots in 2 categories (Best new Product & the Peoples' Choice Awards) – that require attendee / exhibitor interaction. And, as an Exhibitor, you have an opportunity to give a 2 minute commercial (limited to 20 available) to address all conference attendees during one of the lunches!

Details:

Exhibit Hall set up will be Monday, October 26th at 2:00 PM - Exhibit hall opens at 7:00 AM the next morning!
Hall Layout will be sent out very soon.

When registration opens to potential exhibitors, with our limited space - **it sells out quick, less than 2 hours last year!** So you'll need to be ready when it opens!

*If you do not make it into the show as an exhibitor -
There is a waiting list set up for when booths sell out, please leave your information - there are additional opportunities that may be available and we will contact you with those.*

Advertising Opportunities:

Whether or not you make it in as an exhibitor, there are opportunities to advertise in our program. We have partnered with Morris Communications, to provide our conference program - which will also be distributed state-wide to more than 30,000 potential customers! - You will be receiving an ad for this soon as well.

This Conference is coordinated by the Award Winning Alaska Chapter of the American Society of Safety Engineers; and the American Industrial Hygiene Association, Midnight Sun Chapter.

Due to quick timing of this, questions may be addressed to: ann@hselindsey.com

We look forward to an exciting conference, and have great activities planned in celebration of our 10th annual event!
